Subject: Recommendation Letter

Project: METERING AND FLOW CONTROL FOR 56 KM NORTH PIPE LINE

Dear / Synergy Quality Inspection Services LLC ,

We at Egypt Gas as a one of the major operating corporations in the Petroleum Sector in Egypt & Middle East are writing this letter of recommendation to acknowledge the efforts of our NDT Third Party Services provider "SYNERGY" for the mentioned project.

"SYNERGY" never failed to show us an extreme level of interest and care to assure that we are satisfied.

We are confident about the services of "SYNERGY" and can surely recommend their services.

Feel free to contact me for any questions you might have.

Regards,

Branch Manager
