TO WHOM IT MY CONCERN

We Issa Haddadin & Partners Company Has been working with “Synergy Quality Inspection Services LLC” as a Third Party and NDT testing provider in JOTC project “New Pipe Line Project at ASTTP” since February 2022.

During the period of cooperation Synergy team demonstrated professional approach and desire to perform the tasks the best possible way and with high quality, and we constantly found in them a great spirit of cooperation, high level of skill and competitiveness, but most importantly, integrity and resilience.

We would recommend “Synergy Quality Inspection Services LLC” as a competent and reliable partner for cooperation and we wish them success in their future projects.

Yours faithfully,
For ISSA HADDADIN AND PARTNERS COMPANY

ENG. MURAD AL SHAREEF
